October 23, 2019

Dear Water Customer:

Due to the city of Mineral Wells 5.25% rate increase for October 2019, the Santo SUD Board of Directors also approved the same 5.25% increase in water rates for all Santo SUD customers. The old rate of \$10.48 per thousand gallons will change to \$11.03 per thousand gallons starting on October 24th usage. For inquires about the rate increase please contact the Santo Special Utility District office at 13497 S Fm 4, Santo, Texas or call (940)769-4594.

Thank you,

Santo SUD Board of Directors
