October 23, 2020

Dear Water Customer:

Due to the city of Mineral Wells 10.46% rate increase for October 2020, the Santo SUD Board of Directors also approved the same 10.46% increase in water rates for all Santo SUD customers. The old rate of \$11.03 per thousand gallons will change to \$12.18 per thousand gallons starting on November 16th usage. For inquiries about the rate increase please contact the Santo Special Utility District office at 13497 S Fm 4, Santo, Texas or call (940)769-4594.

Thank you,

Santo SUD Board of Directors
