October 20, 2021

Dear Water Customer:

Due to the city of Mineral Wells 9.94% rate increase for October 2021, the Santo SUD Board of Directors also approved the same 9.94% increase in water rates for all Santo SUD customers. The old rate of \$12.18 per thousand gallons will change to \$13.39 per thousand gallons starting on November 15th usage. For inquires about the rate increase please contact the Santo Special Utility District office at 13497 S Fm 4, Santo, Texas or call (940)769-4594.

Thank you,

Santo SUD Board of Directors
